are all included.

### About the Course

Foundation in Leadership is designed for current and emerging leaders. The program provides a solid foundation in the art and practice of influence and unites the team around a shared language, culture and leadership philosophy.

Foundation in Leadership approaches leadership development from a research-based and thoughtful perspective, drawing on our work with hundreds of organizations and several thousand leaders nationwide. The approach is aimed at helping organizations hardwire continuous leadership development, growth and learning into the culture of the organization so that leadership is prioritized as an essential ingredient to creating amazing cultures and high employee engagement.

### OBJECTIVES

- Motivate and build leadership enthusiasm;
- Create a starting point for positive leadership;
- Inspire leaders to see themselves as successful influencers;
- Provide practical skills and tools to start being positive and effective organizational leaders;
- Help leaders cultivate a sustainable and healthy practice of leadership; and
- Unite leaders around a shared leadership approach and language.

### AUDIENCE

Current and emerging leaders at Northeast Minnesota organizations with an Emergency Medical Services and response role.

Eligible disciplines include:

- Ground Ambulance Services
- Air Ambulance Services
- Fire Departments
- Law Enforcement
- Dispatch / Communication Centers
- Healthcare
- Emergency Management
